**Mia Marvelli**  
**Architectural Associate**

Mia Marvelli came to the California Building Standards Commission (CBSC) in March 2012 as an Architectural Associate. Her primary duties are to assist with the adoption, approval, and publication of the California Building Standards Code, California Code of Regulations, Title 24.

Mia joined the CBSC with a distinctive background in construction and design. In addition to her private sector experience she has spent the last twenty years in state service. She was with the Department of Water Resources (DWR) for fourteen years and with the Department of General Services, Real Estate Services Division (DGS/RESA) for six. During her tenure with DWR she developed construction drawings for new facilities supporting the state aqueduct. While with DGS/RESA she collaborated with various state agencies including the Department of Agriculture, California Highway Patrol, and Department of Motor Vehicles designing new and remodeling existing facilities.

Mia is a California native, born and raised in Sacramento. She has spent the past four years pursuing an architectural license and is currently in the final stage of accomplishing that goal. When not studying she relaxes with family, works in her garden, and plays soccer.
